Marketer and operator who builds the marketing and the sales engine behind brands on social. I founded Syndicate Holdings Group in 2019 and run its two brands: **Creator Ops Media**, which drove more than **$10M in TikTok Shop GMV**, and **Syndicate Marketing**, its websites, ads and marketing group. In 2024–25 I worked closely with TikTok and ByteDance, leading classes for smaller agencies and testing new TikTok Shop features first. Alongside that, nine years of leading retail, operations and partner teams of up to 50.
